Hermon School Committee

Section 504 Policy Statement

It is the policy of the Hermon School Department to provide a free and appropriate public education to each qualified student with a disability within its jurisdiction, regardless of the nature or severity of the disability.

It is the intent of the Hermon School Department to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated and provided with appropriate education services.
