Hermon School Department

Commencement Exercises

The Hermon School Committee believes that completion of the academic requirements for a diploma from Hermon High School is an individual achievement that improves the community as well as the individual. The School Committee wishes to recognize that achievement in a publicly celebrated commencement exercise.

Those members of the senior class who have met all requirements and academic standards may be provided the opportunity to participate in the commencement exercise. The Hermon School Committee reserves the right to determine the eligibility of any student.

Participation in other senior class activities will be at the discretion of the principal.
